

Pearl Hyde Primary – Geography - Routeway

Cycle A

YR 5/6

Sow, Grow and Farm

Learn about the features and characteristics of land use in agricultural regions across the world, including a detailed exploration of significant environmental areas.

Investigating Our World

Study Prime Meridian, Greenwich Mean Time (GMT), and worldwide time zones and study interconnected climate zones, vegetation belts and biomes. Learn about human geography and capital cities worldwide before looking at the UK motorway network and settlements. Carry out an enquiry to identify local settlement types.

YR 7

Rocks, Relics and Rumbles

Learn about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.

One Planet, Our World

Locate countries and cities, and use grid references, compass points and latitude and longitude.
Learn about the layers of the Earth and plate tectonics and discover the five major climate zones.
Carry out fieldwork to discover how land is used in the locality.

YR 3/4

Bright lights, Big City

Explore the physical and human characteristics of the United Kingdom, including a detailed exploration of the characteristics and features of the capital city, London.

EYFS

Understanding the World

Be able to explore the natural world around them by making observations.
Be able to know some similarities and differences between the natural world around them and contrasting environments.
Be able to understand some important processes and changes in the natural world around them, including the seasons.

YR 1/2

Our Wonderful World

Name and locate the world's seven continents and five oceans.
Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.
Carry out fieldwork to find out local and physical features.
